PIPETAK

TECHNICAL SPECIFICATIONS

Quick & easy pipe tacker gun for clipping underfloor heating pipes into place.

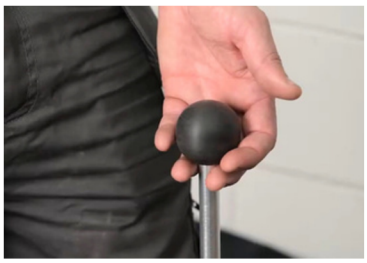
BENEFITS

- **Clips UFH pipes securely into place**
- **Easy to use & reload on the go**
- **No need to kneel - avoids discomfort**
- **Compatible with single UFH pipe clips**
- **ideal for use with rigid insulation panels such as Celotex or Kingspan**

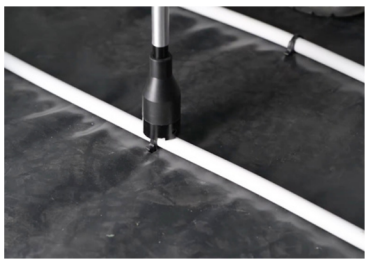
HOW IT WORKS

1. Insert clip into end of tool until it 'clicks' into place

2. Position clip over the UFH pipe to be secured



3. Push down on ball handle to fit clip over pipe & into insulation



4. Push down further to securely fasten pipe & eject clip from tool

TECHNICAL DATA

SKU	PTK001
Weight	423g
